Thank you for hiring All Green Lawn and Landscaping for your landscape design project. Below you will find the basic steps of the process. We look forward to providing you with an outdoor environment your family can enjoy for years to come.

Design Services: \$_____+tax (below included)

- Initial consultation with client
- Basic field calculations/computations(lot setbacks and lot coverage's)
- Concept sketch
- Follow up meeting with client to review concept sketch
- Final construction document including plant and material pallets (2 copies, 1 rendered and 1 black line)

Payment for above services:

50% shall be submitted with the signed proposal/contract

50% upon completion and presentation of the master plan

IF client signs and completes the project with All Green Lawn and Landscaping 50% of the design fee will be credited to the total job amount.

Additional fees if needed:

- Reproduction fee
- Zoning analysis (lot/building coverage's) billed hourly @ \$75/hr.

Thank you,
